

Current event in KVK Pokharni Nanded-I

Event name: Distribution of Seeds and Other inputs for Pigeon pea crop under CFLD Pulses 2024.

Dated: 15/06/2024

Krishi Vigyan Kendra Pokharni Nanded-I organized Cluster Frontline Demonstration (CFLD) Pulses programme at adopted village Jawalgaon, Wadgaon Tq.Himayatnagar, Village Kiki, Bhayegaon Tq.Nanded. Seeds and other inputs of BDN-716 the variety of Pigeon pea were distributed to 50 farmers at Jawalgaon Taluka Himayatnagar under CFLD Pulses 2024. Hon'ble Madhavrao Jalgaonkar MLA of Hadgaon Himayatnagar Constituency was present on this occasion. He said through his guidance that the farmers will definitely benefit from the technology provided by the KVK Pokharni Nanded-I and the farmer's production will increase. Mr. Sandeep Jaybhaye Scientist (Agronomy) gave detailed guidance to the farmers about varieties of Pigeon pea as well as proper planting, fertilizer management, water management, planting distance and Mr.Manik Kalyankar Scientist (Plant Protection) gave detailed guidance on the blight disease in Pigeon pea and its remedial plan and how to control fungus in the soil. At this time, majority of the farmers were present.
